- Balance Forward:** Balance forward includes your previous balance less any payments received prior to the bill date plus any additional fees accrued during the service period.
- Account Number:** This is the 9-digit account number associated with this service address.
- Current Charges:** The current charges section shows an itemized breakdown of the charges used to calculate your current bill.
- Water Charge:** The total charges related to the amount of water consumed. The calculation for this amount is shown in water usage detail box.
- Service Charge:** Our service charge is a periodic fee collected, regardless of consumption, for the reimbursement of a portion of the fixed costs of operations, including meter maintenance and reading, infrastructure maintenance, facilities, and field labor. The amount is set by the Board of Commissioners in an approved, public rate setting process. The service charge is collected on a regular basis for the privilege of on-demand service and fire protection.
- Service Address:** The address of the property receiving water service. For customers paying bills for more than one property, the service address allows them to track the water bills for each property.
- Meter Reading:** These numbers show the current and previous readings from the water meter at the service address.
- Water Consumption:** The amount of water used during the current service period in units. 1 unit is equivalent to 748 gallons, 1 CCF, or 100 cubic feet.
- Water Usage Detail:** This section shows the amount of consumption within each tier used to arrive at your total water charges. The rate structure is designed to promote responsible water usage by rewarding customers who use less water with lower bills.
- Consumption History Graph:** A graphic representation of your water usage for the past 13 months listed by monthly or bi-monthly period so you can compare your current usage to the previous years.
- Messages:** Receive important information regarding public hearings, notices, and events in this section.
- Service Period:** The dates between which your water consumption was measured.
- Bill Date:** The date on which your bill was generated.
- Due Date:** The date your bill amount is due.
- Amount Due:** The total amount due including current and previous charges.
- Payment Stub:** The portion of the bill that should be detached and returned with your payment.
- Payment Address:** Payments are submitted to the secure payment processing center for our local banking institution which is located in Seattle.
